

# Elbow Lake Lodge

## 2010 Fishing Packages

### About Elbow Lake Lodge

We are located just 3.5 hours from the Twin Cities, nestled between the BWCA and Voyageurs National Park.

We offer excellent fishing at an excellent resort. Compare our prices and facility to other fishing camps and you will see we are the best value in the area.

### About Our Lake

Elbow Lake is a 1600 acre lake with many bays and islands. It is located in the same geographical formation as the BWCA giving it that "up-North" feel.

You can find abundant walleye, small mouth bass and northern as well as the occasional crappie, sunfish and large mouth bass.
